Dear Parents,

24 March 2015

As I have said on previous letters we are looking to put one last push when it comes to fundraising for our trip to Kandersteg. With the increase in flight costs and dip in exchange rates between the GBP and Swiss Franc this is vital for us to provide all your children with an adventure they will remember for years to come.

What are we doing?

Did you know that it is 819 miles between Shipley and Kandersteg? This includes the 20.6 mile crossing of the Dover Strait.

To help us raise money we are arranging a sponsored run, walk, cycle, swim or row to cover this distance. We'll have a chance to submit our distances through any activity we do between now and then but to help us build the miles and achieve our target, Flacks Gym at 5 Lane Ends have kindly offered the use of the gym for the weekend of 16/17 May.

What do you need to do?

1. The first thing for you to do is to start raising money. You can do this one of two ways;
 - a) Using the attached sponsor form
 - b) Using givey.com – this is an online fundraising site which individuals can register their fundraising for an organisation and collect money. A bit like justgiving.

Our preference (for ease of administration) would be to use givey.com so please make every effort to do this. You might want to set yourself a target for the number of miles you want to contribute.

2. Going on a walk, for a swim or on your bike in the next few weeks? Make a note of the distance you travelled in the attached log. Whatever you are able to do over the next few weeks, please make sure it is verified by someone on the log.
3. Fill in the attached form noting the times you'll be attending Flacks and boosting your miles and return to your section leader **by 14 April**.

Further details of the weekend of 16/17 May will be sent our nearer the time.

In the mean time, if you have any questions, please do not hesitate to contact me on the above number/email.

Yours in Scouting

Lee Farrow
